Battery storage cabinet 600mm deep maintenance service

"Low Battery Charge" HELP

Have the battery checked at dealers - and just using a multimeter on the battery won't show duff cells in the battery. A new battery-cured mine - any decent auto-electric garage could do it.

Household Battery Recycling

Household battery recycling locations Lead-acid batteries, or "automotive type batteries," are banned from disposal. Consumers may bring lead-acid batteries to any Wisconsin retailer that sells these

Secondary Battery

My main battery just died, had it replaced with same, and car kept giving me Battery charging, so no stop start. When stop/start worked, it was for about 10 sec, and car would start, with

Battery issues

I've had both batteries replaced (with the correct models), done a 100 mile trip, overnight smart battery charge, charging voltage is fine, system messages cleared but I am still getting "low

Low battery charge message

The low battery charge message relates to the main battery. On vehicles with stop/start systems and intelligent alternators, the vehicle
