### superlatives

Consider the phrase "one of" as a synonym for "among". This way, your sentence reads: " Honda and Toyate are among the best selling cars in the US " I hope this clarifies this particular

### how to use "best" as adverb?

Your example already shows how to use "best"

"Which one is the best" vs. "which one the best is"

"Which one is the best" is obviously a question format, so it makes sense that " which one the best is " should be the correct form. This is very good instinct, and you could even argue that

as an adverb. It is also a superlative, like "greatest", or "highest", so just as you would use it as an adjective to show that something is the

**adverbs**

Both sentences could mean the same thing, however I like you best. I like chocolate best, better than anything else can be used when what one is choosing from is not specified I like you the

**"What was best" vs "what was the best"?**

In your context, the best relates to {something}, whereas best relates to a course of action. Plastic, wood, or metal container? What was the best choice for this purpose? Plastic, wood,

**Voltronic Power**

Voltronic Power is committed to operating in only 100% ODM in the UPS and solar inverter industry. We do not have our own brand, we do not compete with our

**definite article**

I mean here "You are the best at tennis" "and

"you are best at tennis", "choose the book you like the best or best" both of them can have different meanings but "most" and another adverb in
