For free vs. free of charges

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that English

etymology

"Free of" vs. "Free from"

If so, my analysis amounts to a rule in search of actual usage—a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over the past 100 years

grammaticality

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?
