OnePlus X

The design of the OnePlus X features a smooth glass back with textured aluminium bezels which provides a good grip on the frame of the phone. Both versions of the phone feature a dark glass back reminiscent of the glass back on the iPhone 4. The phone inherits the alert slider first found on the OnePlus 2 which toggles between All, Priority Only and No notifications. Due to the smaller form factor of the phone the internal battery was smaller compared to the OnePlus 2, coming in at 2,525 mAh compar
