

Major incident at a solar power plant

Overview

During the morning of 30 August 2025, the California Department of Forestry and Fire Protection (CAL FIRE) responded to a possible vegetation fire in the area of independent power producer (IPP) Arevon Energy's California Flats solar-plus-storage project.

Major incident at a solar power plant

[Battery fire at Monterey County solar plant prompts brief evacuations](#)

A weekend fire at a Monterey County lithium-ion battery plant briefly resulted in evacuation orders for some nearby residents before being rescinded, the Monterey County Sheriff's Office said.
