Modular Home Builders Association

MHBA offers comprehensive and informative content for those seeking builders/manufacturers and looking to learn more about modular housing.

Modular Homes

Simply put, modular homes have sections that are built in a factory, rather than being fully built on a home site. These parts are then transported to the site and assembled by a builder.

US Modular, Inc

US Modular offers high-quality manufactured single-family homes that provide all the amenities and finishes you expect from a new house. Manufactured homes are built with the same materials as site
