Ceer Motors

Ceer Motors was formed through a partnership between the Saudi Public Investment Fund (PIF) and the Taiwanese contract manufacturer Foxconn. Saudi Arabia's sovereign wealth fund is projected to partner with Apple Inc. to build a \$9 billion facility that manufactures microchips, electric-vehicle components and other electronics. The joint venture is part of an effort to diversify the Kingdom's economy apart from being oil-dependent, in line with the Saudi Vision 2030.
