

Several fasteners on photovoltaic panels

Overview

Aluminum fasteners offer a lighter-weight alternative and are often used in rooftop systems where reducing load is essential. Some installations require carbon steel bolts or specialized grades like Grade 10.

Several fasteners on photovoltaic panels

Several

1. being more than two but fewer than many in number or kind: several ways to do the same thing. 2. respective; individual: They went their several ways. 3. separate; different: several occasions. 4.
