What types of steel do we sell? Sheet - Hot rolled, Cold rolled, Pickled & Oiled, Galvanized, Aluminum & Stainless. Download our Steel Handbook for more information on all of the steel products we sell.

[10 Popular Steel Structure Designs for PV Panel Projects](#)

Compare 10 steel structure designs for PV panel projects. Find the best Steel Structure for PV Panel based on cost, durability, and site needs.

### **TYPES OF STEEL & STEEL GRADES CHART**

Do you have the best type of steel for your project? Use our chart to help & learn more about the various steel grades, their applications, & ASTM standards.

[Steel , Composition, Properties, Types, Grades, & Facts , Britannica](#)

Steel, alloy of iron and carbon in which the carbon content ranges up to 2 percent (with a higher carbon content, the material is defined as cast iron). By far the most widely used material for

[Steel Structures for Photovoltaic: Roof-Only Applications](#)

Steel structures in photovoltaic systems serve as the backbone for rooftop solar installations. They are cost-effective and durable, and can function

[Steel: Definition, Composition, Types, Properties, and Applications](#)

Steel is a metallic alloy of iron and carbon used in a wide variety of applications. Learn more about it here.

[Structures for photovoltaic panels on flat roof](#)

The EasyWest system is designed to offer East-West systems on flat roofs an extremely light, handy, robust and quick-to-assemble support system that can be used with both standard and large panels.

**Steel Supplier**

At Triple-S Steel (R) we are proud to serve our customers with an extensive selection of steel products, ranging from structural steel to flat-rolled, plate, and channel.

[The Voice of the American Steel Industry , American Iron and Steel](#)

AISI serves as the voice of the American steel industry in the public policy arena and advances the case for steel in the marketplace as the preferred material of choice.

**What is steel?**

Steel is the world's most important engineering and construction material. It is used in every aspect of our lives; in cars and construction products, refrigerators and washing machines, cargo ships and

**Metals Depot(R)**

Stocking over 50,000 Shapes, Sizes, Types and Lengths of Steel, Aluminum, Stainless, Brass, Copper, Cold Finish Steel, Tool Steel and Alloy Steels among our network of warehouses, at Wholesale Prices.
